

# 18th International Conference on Statistical Analysis of Textual Data

Palermo (Italy), 8-10 July 2026  
University of Palermo

## CALL FOR PAPERS

We are excited to announce that the *18th International Conference on Statistical Analysis of Textual Data (JADT2026)* will take place in **Palermo**, Italy, from **8 to 10 July 2026**. The event is organised by *StatPanormus* at the University of Palermo.

Since its first edition in 1992, this biennial conference has continued to grow in relevance. It welcomes all scholars and researchers interested in studying and analysing textual data in different ways, including natural language processing, lexicography, text mining, information science, computational linguistics, sociolinguistics, political discourse analysis, and content analysis.

You will find all details about the conference and other practical information on the official website <https://jadt2026.unipa.it>.

### SUBMISSION

If you wish to present a paper, please submit a **title** and a 300-word **abstract** (in English, French, Italian, or Spanish; references, if any, excluded) by **January 15, 2026**. Full papers (6–10 pages) are due **by March 15, 2026**, and will be peer-reviewed. Accepted papers must be uploaded in final form by **May 7, 2026** via the same submission system.
